

ART & ABOUT ROPPONGI is out!

The 16-page English booklet ART & ABOUT ROPPONGI is available now!

Since three major museums, the Suntory Museum of Art, the National Art Center, and the Mori Art Museum were founded in this area, Roppongi has been the unique place where many art-related facilities concentrated in the small area. ART & ABOUT ROPPONGI covering museums, galleries, halls and art pieces scattered in the neighborhood will help you to discover art attractions in the town.

The booklet is available at the counter in Suntory Museum of Art, Tokyo Tourist Information Centers in Shinjuku, Haneda Airport, and Ueno for free. You can get a special coupon for a free postcard with this booklet as well. Get ART & ABOUT ROPPONGI and enjoy strolling through one of the most exciting towns in Tokyo!
